ABOUT ME

Detail-oriented IT Professional with a diverse background in technical support, graphic design, and customer service. Currently completing a 3-month IT Internship supplemented by a previous 9-month Graphic Design internship, gaining hands-on experience in **PC troubleshooting, system maintenance, and digital branding**. Proven ability to handle high-pressure environments through experience as an **Election Police officer** and Sales Representative. A proactive problem-solver committed to delivering high-quality technical solutions and exceptional user support.
